

# BULK WATER/HYDRANT PERMIT APPLICATION PER COMPANY

Application must be completed and returned to the City of Driggs office located at:

**60 South Main Driggs ID 83422**

City Office: 208-354-2362 ext 101 Fax: 208-354-8522 Public Works Director: 208-390-1709

Permit Fee – As set forth on permit.

Gallon usage is billed per the City's current rate schedule at project end.

**Check one:**

- **BULK WATER PERMIT** - This permit includes bulk water supplied to fill tanks and tank truck(s) from the City's water system. All water shall be metered or tanker size must be known.
  1. Bulk haulers must load at the City Shop located at 235 South 5th. (Water fill connection is located in front of shop by the light pole)
  2. Bulk haulers must provide their own 2½" standard fire hydrant hose connection from the fire hydrant to the tanker and wrench.
  3. Return your permit when the project is complete with the total number of loads or meter readings recorded on the back of the permit and additional sheets (if needed).
  
- **METERED HYDRANT PERMIT** - This permit shall allow the use of water at a construction site through a metered fire hydrant connection. *The meter and connection shall be provided and installed by City Utility personnel only.*
  1. Hydrant must be fully opened. Use gate valve to throttle flow. Shut off hydrant after use each day.
  2. Contractor shall notify the City office as soon as the meter is no longer needed.
  3. Physical Location for meter to be set. - \_\_\_\_\_
  4. **24 hr. written notice must be given prior to meter being set**
  5. Return your permit when the project is complete with the total number of loads or meter readings recorded on the back of the permit and additional sheets (if needed).

**DAMAGED OR LOST EQUIPMENT SHALL BE REPAIRED OR REPLACED  
AT THE CUSTOMER'S EXPENSE**
